Dear Sir:

SUPPLEMENTAL INFORMATION DISCLOSURE STATEMENT

The applicants, and the attorney who signs below on the basis of the information supplied by the inventor and the information in his file, submit herewith patents, publications, or other information of which they are aware, which may be material to the examination of this application and in respect of which there may be a duty to disclose in accordance with 37 C.F.R. § 1.56.

While the information submitted in this Supplemental Information Disclosure Statement may be material pursuant to 37 C.F.R. § 1.56, it is not intended to constitute an admission that any patent, publication, or other information referred to therein is prior art for this invention unless specifically designated as such.

In accordance with 37 C.F.R. § 1.97, this Supplemental Information Disclosure Statement is not to be construed as a representation that a search has been made or that no other possibly material information as defined in 37 C.F.R. § 1.56(a) exists.

The patents and/or publications submitted herewith are set forth on the attached Form PTO-1449.

Applicants certify that all references submitted with this disclosure were cited in a communication from a foreign patent office dated March 9, 2000, and a communication from a foreign patent office dated March 21, 2000, which communication is enclosed, not more than three months prior to the filing of this Supplemental Information Disclosure Statement.

Respectfully submitted,

Eddy J. Song
